

## Portable Recycling Containers

### Go green at your next event!

Recycling containers for bottles and cans are a huge hit at sporting events, block parties, family reunions and other gatherings. It's an easy way to reduce your environmental impact. And, depending on the amount of recyclables collected, you could save money on trash service for the event.

Did you know?

Recycling just one aluminum can saves enough energy to power a television for three hours!

# Portable Recycling Containers

The portable containers collapse for transport and come with custom plastic bags that attach to the assembled frame.

Containers are loaned at no cost to North St. Paul residents for temporary use for events big or small.

RESERVE YOUR CONTAINERS TODAY!

Some Do's and Don'ts when borrowing the portable recycling containers:

## DO:

- 1) Pair the recycling container with a trash can. This helps to keep the trash out of the recycling.
- 2) If your event will be held outdoors, anchor your containers if it is windy.
- 3) Use the plastic bags provided with the containers.
- 4) Dispose of the recycling collected at your event before you return the containers.
- 5) Wipe the frames and lids well before you return them.
- 6) Return any un-used plastic bags.
- 7) Return the containers in the box provided.

## DON'T:

- 1) Return recycling collected at your event with your containers. ***It is the responsibility of the person who signed the containers out to properly handle the recyclables collected.***
- 2) Drop them off at City Hall without checking them in. ***They need to be brought back during regular business hours and checked in by Community Services Department personnel.***
