

2023 COMMERCIAL LED REBATE GUIDE

City of North St. Paul

Rebates are available for LED products on ENERGY STAR or DesignLights Consortium (DLC) Qualified Product lists. Other LED products may be considered for a custom rebate but must be pre-approved. Before purchasing lighting, submit a Pre-Rebate Worksheet and we'll verify lighting is eligible and estimate your rebate. Questions? Call 651-747-2413.
